Team Unite CLC 2020

Beatrice Bruske, candidate for President

Siobhan Vipond, candidate for Executive Vice-President

Lily Chang, candidate for Secretary-Treasurer *via email: teamuniteclc@gmail.com*

Dear Beatrice, Siobhan and Lily,

On behalf of the 50,000-member Hospital Employees' Union, we'd like to thank you for offering your candidacies for the top leadership positions in the Canadian Labour Congress.

Like all working people, our members have a lot at stake in the future direction of Canada's labour movement. We must be united across sectors and occupations, with a renewed commitment to grassroots organizing.

And with the workers and their unions under attack in many parts of the country, we also need a CLC that will support the election of worker-friendly governments nationally and in every province and territory. We need to build the power of working people to defend our rights at work and in our communities.

The three of you have already done much for workers at every level of our union movement. We look forward to all you will do for working people at the helm of the CLC.

Earlier this month, our Provincial Executive voted unanimously to endorse the three of you for election this May at the CLC convention, and we'll be there in Vancouver to help make it happen.

In solidarity,

Barb Nderpel
President

Jennifer Whiteside
Secretary-Business Manager

Betty Valenzuela
Financial Secretary
